Autumn 🍎 time to Grow

www.missionexperience.org

Grace Academy Middle School is opening this fall!

As one of the few schools open, our school is continuing in expansion mode. This year, we are opening some of the buildings inside the orphanage to allow for expansion. Once it's safer in the south, we will build the next school building and expand it onto the school property. We plan to add one class a year over the next three years.

Grace Academy is working to start a hot meal program for school children.

We are hoping to start a meal program using the kitchen and the pavilion in the orphanage. We are working toward partnering with a food ministry to provide food, which would enable us to finally start providing a warm meal for the kids each day.

Grace Academy is expanding to include evening classes!! The adults around Grace Academy have witnessed the change that education has been making in the lives of the children, so they are asking for help. This fall, we will start evening classes to teach adults to read and write. Pray for this new venture into adult education.

Technical classes: Some parents have been asking us to start technical courses and job training for their children in our school. We will study this option during the fall and decide how we can help. Please keep this in your prayers!!

You're INVITED

Plan now to attend one of these ME Dinners

Pastor Mike & Ellie invite you to hear updates, see videos of the kids, hear our plans for the new orphanage in the north, and have a time for Q & A with PM & Ellie.

Ellie will also share about the kids future goals and employment. Enjoy a time of learning what's new in our ministry and where God is leading us. Hear the exciting stories about the upcoming movie and new book plus the amazing growth of Grace Academy.

- Contact Leslie for RESERVATIONS to attend these events:

October 10, 2025 at WARD4, Milwaukee, WI

November 22nd at Concordia Lutheran Church in Steamboat Springs, CO

- Contact Leslie for TICKETS \$30/pp to attend this event:

November 8th at Concordia Lutheran Church in Lakewood, CO

* (This evening is for all people in metro Denver area. Please let us know if you plan to attend)
